CHELTENHAM

I think. Therefore I du Vin.

Two courses,  
a glass of house wine,  
or beer for only

14.95

Whether it's the career and works of Armando Iannucci, low budget zombie movies, timelord day or discussions on the return of Brit-thrillers that you're looking forward to most at this year's screenwriters festival, make it even more memorable by starting the evening at Bistro du Vin & Bar Cheltenham. Treat yourself to two simple classic courses and an outstanding glass of house wine or beer for only £14.95 in a trademark bistro, then, when the talking is over why not make your way back to end the evening relaxing in the bar. Thinking of making this screenwriters festival even more epic for less than you ever imagined? Cast du Vin.
