

Train Times – London Paddington to Cheltenham Spa (change at Bristol Parkway/Temple Meads)

Due to a blockade that is planned for the week of 24/10/09 for several days by First Great Western there are no direct trains to Cheltenham Spa from London, instead all trains will come via a change at Bristol (either Parkway or Temple Meads).

Here are the rail time tables, as from The Trainline website and are correct as at 17/09/09. There are direct trains but they are few and far between. We advise that you check your travel before you book, these times could change.

Note: There are trains that travel to Swindon but there is a replacement bus service connecting Swindon to Gloucester, these trains and times are NOT included in this timetable...
